

# Good News with the Goodwins – April 2024

Dear Friends and Family,

We are so excited to share with you some of the things that God has been doing at Drive-In Park and in our family.

Our first movie night of the season using the new movie site.

## The Park

Movie night season is in full swing at Drive-In Park! Due to the larger crowds that our movie nights started drawing at the end of last year's movie season, our team decided to slightly move the position of our movie trailers. This new movie site provides better parking opportunities. We thank God for providing these crowds and continue to look for best ways to accommodate those who He will bring out to the park to hear the Gospel! We have been blessed to have many local church sponsors for our movie nights and love being able to connect new believers with these churches. Our next children's event at the park will be May 25th. We are looking forward to kicking off the summer with games, food, and a Gospel presentation.

## Family

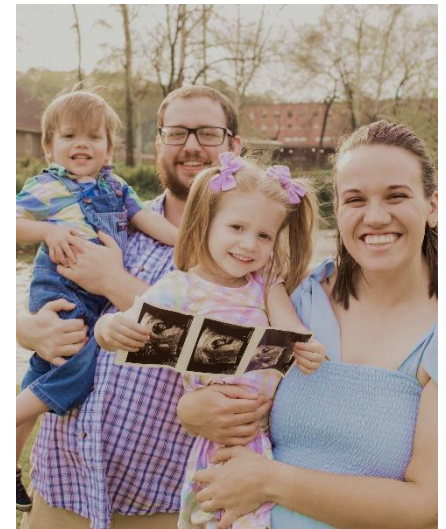

We are also so excited to share that God has blessed our family and we are expecting our third baby in October of this year! We could not be more thrilled as we look forward to this little one's arrival. We have already seen God provide for our family as we prepare; including providing a larger apartment at our complex to move into back in

February and allowing us to find a used minivan to purchase just this last weekend to provide space for three little car seats. Our plans for next school year is for Katie to continue teaching Kindergarten at First Baptist (taking a longer maternity leave) while Ellie Jane attends pre-k 3 in the same program. Levi and the new baby will be just down the hall in Mother's Day Out. Caleb continues his role as part time park director and part time at Chick-fil-A.

## Support Raising

Our support is still a little shy of two thirds of our monthly goal. Our main need is for God to provide additional monthly supporters to bring us closer to our goal so Caleb can become full time park director. The waiting process has been long but we praise God that we can trust Him to be faithful in this season. If your church or small group is interested in allowing us to come share with you, please reach out to us.

If you feel led to join our financial support team, more information can be found at: [www.driveinministries.com/give](http://www.driveinministries.com/give) or call the office.

Baby Goodwin #3 is due in October!

## Prayer Request

- Please pray for all who will come to our movie nights and will hear the Gospel at Drive-In Park.
- Please pray for the local churches who are partnering with us at Drive-In Park and discipling new believers.
- Please pray for our family as we prepare for the addition of a new little one in October!

May God bless you,  
Caleb, Katie, Ellie Jane, and Levi
